

FISHERMAN'S LIFE *Museum*

A PART OF THE NOVA SCOTIA MUSEUM

Find us nestled in a cosy home between woods and water. Step past colourful lupins into the summer kitchen for a friendly chat by the old wood cook-stove. See hand-hooked mats and grandmother's favourite dishes. Sit at the old parlour organ to hear stories about a pre-1920s inshore fisherman's family and ways of life that still exist along Nova Scotia's Eastern Shore.
