

— ❧ — BLUENOSE II — ❧ —

Nova Scotia's sailing ambassador, Bluenose II is undergoing major restoration work to ensure her legacy lives on for many years to come. A replica of the original world-famous Bluenose fishing schooner launched in 1921, Bluenose II has been touring special events and offering public cruises since 1963 from her home port of Lunenburg, Nova Scotia, a UNESCO World Heritage Site.

For more information on Bluenose II, or to follow her restoration, visit www.schoonerbluenose2.ca
