WHO ARE WE? The Hope for Wildlife Society is a registered charity and non-profit wildlife rehabilitation and education facility. We specialize in the care, treatment and rehabilitation of injured and orphaned indigenous wildlife. To date, our facility has treated and released thousands of mammals and birds back to their natural environment. Our mission is comprised of three important goals:

Rehabilitation and release of injured and orphaned wildlife.

Education of the importance of wildlife conservation.

Research to understand the complex nature for conserving and caring for our wildlife resources.

WE NEED YOUR HELP!

As a non-profit charitable organization, the **Hope for Wildlife Society** relies heavily on grants and donations from individuals, businesses and corporations in order to provide the supplies, caging, food and medicine required to care for the wildlife.

Tax deductible donations may be sent to:

5909 Hwy 207, Site 14, Box 1
Seaforth, NS B0J 1N0

You may also donate online by visiting our website www.hopeforwildlife.net or designate the Hope For Wildlife Society as your charity of choice through the **United Way** payroll deduction plan.
